CARROLLTON
FIRST METHODIST CHURCH

Wedding Information Packet

We are delighted that you are considering Carrollton First Methodist Church as the setting for your Christian wedding ceremony! We believe marriage is a sacred covenant in which a man and a woman are united before God in a lifelong commitment of love and faithfulness. More than a celebration of two people, a Christian wedding is an act of worship that honors God and invites His presence and blessing upon the marriage. With this understanding, the following guidelines have been established to help you plan a wedding ceremony that reflects the sacredness of marriage, honors the traditions of our church, and glorifies God.

GENERAL POLICIES

- The wedding ceremony is under the direction and/or consultation of the Senior Pastor and wedding coordinator who have final authority over the worship experience. The content of the wedding service must conform to the church's beliefs as defined in the Carrollton First Methodist Church Doctrine. If guest officiants are requested, they (and their message) must be approved by SPRC.
- CFMC's Wedding Coordinator shall be used for each wedding held at the church. The Wedding Coordinator serves as a liaison between the church and the wedding party to ensure that the wedding and rehearsal are accomplished according to church doctrine.
- All Requests to the church by the wedding party will be directed to the Wedding Coordinator.
- It is expected that members of the wedding party always conduct themselves in a manner befitting the atmosphere of a place of worship. No alcohol or drugs of any kind are allowed on church premises.
- The church is not responsible for any items left in the church.
- At the time of confirmation of a scheduled wedding date, the security deposit is due. All other fees are due no later than thirty (30) days prior to the wedding date.
- Flowers, candles (dripless only) and decorations to be used must be approved by the Wedding Coordinator and must be removed following the ceremony. Confetti, rice, and birdseed shall not be used on CFMC premises.
- No flash photography is permitted during the wedding service. Videotaping is permitted provided no special lighting is used and the camera operator does not interfere with the processional, recessional, entrances, and exits.
- Changing rooms will be provided for the wedding party (bride and her attendants, groom and his groomsmen).
- The church will be opened two (2) hours prior to the wedding for set up.
- CFMC's Sound Technician will be employed if the church sound system is used.
- It is encouraged that CFMC's instrumentalists be employed when the church piano is to be used. If the church organ is to be used, it is **required** that the CFMC staff organist be used. If the wedding party chooses to use other instrumentalists, they must be approved by the Wedding Coordinator.
- The use of a DJ is not permitted.
- The wedding ceremony is a worship service. All music, whether instrumental or vocal, shall be approved by the Wedding Coordinator in consultation with CFMC's Senior Pastor or Associate Pastor for Music and Worship.
- The wedding party shall complete a Wedding Music Request form (found in Part 1 of the Wedding Request form) and return it to the Wedding Coordinator at least sixty (60) days prior to the wedding. This form shall include all pre, during, and post music to be played during the ceremony.
- Church capacity is approximately 500 guests in total (400 people on the main floor, 75 people in the large balcony, 25 people in the small balcony).
